

Disaster Materials Order Form

Dear “Disaster Preparedness Month” supporter:

If you would like additional preprinted materials for your Disaster Preparedness program, please call Barbara Thurman at 1-253-512-7047 to inquire about availability.

A CD containing many of the graphic items printed and distributed in the 2005 Disaster Preparedness Campaign packet also is available. If you would like a Graphics CD, please request “2005 Graphics CD.”

“Is There a Meth Lab Cooking In Your Neighborhood?”

This video addresses illegal methamphetamine production in communities. It will be available in late Spring 2005. If you would like a copy, request it by the title above.

Please print your items of interest:
